About me

From the experiences I have *gained* during all this time, I consider that I am *ready to overcome* all the obstacles that I will encounter during the period in which I will work for your company.

I am a person *open to opportunities* and *without fear of the unknown*. I want to become the *best in my field*.

Professional Experience

Jul 2021 – Sep 2021

Full Stack Developer, Vanila Sweet Expo SRL 

I took care of the *Front-end and Back-end* parts of the *VanilaSweetExpo*  website. I used programming languages such as *PHP, MYSQL, HTML, CSS, and JavaScript*.

Nov 2020 – Mar 2021
Iași, Romania

Full Stack Developer | Information Technology Project Coordinator at Prove it 2021 | BEST Iasi, Prove it 2021 | BEST Iasi 

I was in charge of the IT department . My main **objectives** were: *website creation, call the technical support team, coordinate the technical support team, conduct research for platforms, and create offline promotion requests*.

Projects

2021 – present

Ecommerce Website - Dodge Parts 

This project starts with the intention of helping DODGE owners from Romania to find the parts needed for their cars in a short period of time.

Xadir'Capitals 

The project contains all the countries of the planet arranged according to the continents to which they belong.

Company Manage 

This is a website that manages your company.

Volunteering

2016 – 2022

Botoșani, Romania

ATOR FLĂMÂNZI, Volunteer

I helped organize camps, being a volunteer. An example is The 2018 Friendship Camp where I was responsible for the media department. I participated in several camps to gain more knowledge in communication and teamwork.

2019

Botoșani, Romania

F.C. Flacăra Flămânzi, Goalkeeper Couch U13

I was responsible for organizing the goalkeepers, but also for their moral support. Following the successful organization, we managed to win a junior cup in Botosani.
